ENRICHMENT DAYS Tomorrow is the enrichment days for some stage 1 and 3 students. We will be having visitors from several of our local schools. All the students will be undertaking special tasks throughout the day related to either Maths or Visual Arts. I know they are going to have a great day. I am in need of some volunteers, especially from the Year 5/6 families to help out making pizzas for lunch. If you can help out give me a call in the morning or just come in.

SWIMMING CARNIVAL The carnival was a great success with everyone getting in and having a go. We won the small schools trophy and this was mainly due to everyone’s participation. Thank you to the parents who helped out with the day. The photographers, the organisers and the supporters. I can still see a couple of parents walking up and down the pool yelling support for all the Larnook children swimming and not just their own.

Our results were Open Ursi 2nd : 11yr age race Elkan 2nd; Breaststroke Ursi 3rd; Backstroke Cameron 2nd. Well done to all.

BASEBALL VISIT Last Tuesday morning, we had a visit from Al, a junior coaching co-ordinator from Baseball Queensland. He had all the students at some stage of the morning. From what I saw and heard from my office, the day was a great
success. Lots of encouragement from all. We were given flyers promoting a Come and Try morning at Albert Park this coming Sunday, 2nd March at 10.00am. I overheard a few children saying they would love to come. I am not sure whether there will be enough notes promoting it. If you would like more information don’t hesitate to call.

**ABSENT NOTES** Thanks to the parents who have handed in absent notes for their children thus far. If you need more notes please ask. Just a reminder that all absences should be explained or accounted for in some manner. A phone call will suffice.

**CLASSROOM REFURBISHMENTS** The repair work has been finalised on Monday evening when the painters completed their work. It was a relief walking into the classroom and seeing the job completed. Now comes the big job of putting all the stuff from the storerooms back into the storerooms and a big clean up along the way. I know Mrs Spackman is so looking forward to getting in and not just cleaning up the classroom but also the verandah. Miss Moy is also over the disorganisation at the back of the classroom and she just wants the library back in order.

**LIBRARY NEWS** The library is open for borrowing Wednesday morning and Thursday lunchtime. We are encouraging as much borrowing as we can. The library is an extremely valuable resource and one that needs to be promoted to our children. Grab a book and read to your child or listen to them read to you. It is a great way to relax!

**ODD JOBS** There are jobs around the school still needing completion. The response so far has not been anywhere near what I was hoping for. Please at least think about volunteering some of your time for the betterment of the school and children both now and in the future.

**GIANT PUMPKIN** This week we were given a giant pumpkin plant. The hope is that this will grow into a monster and we will show it at a future date at one of the many shows that are happening around the district. Maja has kindly volunteered to co-ordinate the planting and the upkeep of the plant.

**P & C MEETING** We had two new parents come in for the P & C meeting. It was great to see these parents so keen. The next date for the P & C meeting is 13th March in the staffroom at 9.00am. I hope
to see more parents get involved and come along to this meeting.

CLASS NEWS

KOOKABURRAS The routines are set and the children are working well. The homework has also been going well. I have nearly everyone in the class who has handed in their work at least once. I am now trying to get the quality of the homework up whilst still keeping the quantity. Ask your child about the transaction sheets/book. The year 3 children have picked up the concept really quickly. They are earning money for things well done in and around the classroom.

THE PREMIERS READING CHALLENGE Registration opens on Monday 3rd March so Ms Moy will register our school. Keep an eye out for more news on this!

NORTHERN STAR COMPETITION We have been registered our school to try and win 10 iPads, so if you can collect any coupons please send them into school.

REGISTER TO PLAY WITH YOUR LOCAL CUB AT MYFOOTBALLCLUB.COM.
