Thank you for buying books for your children through Scholastic Book Club or from our annual Book Fair this year. We have all benefited by earning rewards dollars to spend on class resources or books for the school library. Over the summer holidays if you are looking for something to do or somewhere to relax and cool down in air-conditioning, make sure you check in with your local Library as they always have some program on for children with activities and inventive ways to keep them reading over the summer break. For more information, have a look on the website at http://www.rtrl.nsw.gov.au/cp_themes/default/home.asp. Once you join, you can visit and borrow from any of the Richmond Tweed River Libraries from Tweed Heads to Ballina. Keep on reading on! Ms Moy
