HATS  The hats were handed out on Monday. Don’t they all look lovely. I would like to hear some feedback from the parents about our student council project. From our side of the fence it seems to be going very well. To avoid the dreaded nits spreading, children are encouraged to keep hats in their hoto trays.

THANK YOU  A big thankyou to Erin, Janu, Di, Ajita and Amanda for helping out yesterday and today with the fundraising BBQ at the Pool for the North Coast swimming championships. I am not sure how much has been raised as yet. Come along to a P&C meeting and find out. Thanks to Sharon Jones, Amanda & Erin for making goodies to sell there also.

HOME BAKE TOMORROW  Due to some leftovers from the swimming carnival, we will have a home bake sale tomorrow. Cake, Slices etc 50c - $1 a piece.

P & C AGM  Please keep the Friday morning of the 20th free and come along to the P&C Annual General Meeting. We do need some more help and input from anyone able to do so. The meeting will start as close to 9.00 as possible. Come along and see what we do and what we talk about.

ASSEMBLIES  This term we plan to have a special assembly on Friday, 27th March. At this assembly, students from each class will be recognised for their efforts. There will also be examples of children’s work, some special items from small groups and individuals and some singing. The assembly will start at 2pm. Everyone is encouraged to come, where they will be warmly welcomed by everyone. Unfortunately our first one has been cancelled for tomorrow due to circumstances beyond our control.

We love playing out in the sun, please remember your hat so you can join in too.

WOODY HEADS CAMP To work out a more exact costing for our Woody Head whole school camp, I am needing closer approximations of numbers for our camp at Woody Head in the last week of this term Monday 30th March till Thursday 2nd April. The approximate cost per student will be $60 and for an adult between $70-$80 for the four day three night camp. We will be doing water activities plus guided activities delivered by the Dorroughby Field Studies Centre more detailed wrap up of the week will be forthcoming, outlining the activities etc. plus a more accurate costing. I also need a volunteer to co-ordinate the food organizing for the week. They will oversee the menu and food requirements and ensure that ‘we’ don’t leave anything behind. If you are interested please give me a call early next week. If you would just like to help out in any way please also let me know. Please complete the attached form and return to school early next week, just to give the organisers a bit of an idea on who is coming etc.

SPECIAL PROJECT Is there any parent out there who would like to take on the special project of organizing and attending the herb gardens in the pizza area. They are being neglected at present and need some special attention. If you have some ideas or would like to take on the project give me a call to discuss your ideas and how ‘we’ are going to get the project up and running and then maintaining and nurturing our herbs.
